set forth in paragraph (b)(2) of this section, suspend the ability of a depository to designate the date and time of effectiveness of a registration statement, and such suspension shall remain in effect until the Commission furnishes written notice to the depository that the suspension has been terminated. Any suspension, so long as it is in effect, shall apply to any registration statement that has been filed but has not, at the time of such suspension, become effective and to any registration statement the depository files after such suspension. Any such suspension applies only to the ability to designate the date and time of effectiveness under paragraph (a) of this section and does not otherwise affect the registration statement.

(2) Any suspension under paragraph (b)(1) of this section becomes effective when the Commission furnishes written notice thereof to the depository. The Commission may issue a suspension if it appears to the Commission:

(i) That any registration statement containing a designation under this section is incomplete or inaccurate in any material respect, whether or not such registration has become effective, or

(ii) That the depository has not complied with any of the conditions of this section. The depository may petition the Commission to review the suspension. The Commission will order a hearing on the matter if a request for such a hearing is included in the petition.
